

METALLICA

The image shows the iconic logo for the heavy metal band Metallica. The word "METALLICA" is written in a bold, black, sans-serif font, slanted to the right. The letters are contained within a stylized, black, double-lined arch that resembles a lightning bolt or a jagged mountain range. The arch starts on the left, rises to a peak above the letter 'M', dips slightly, rises again to a peak above the letter 'A', and then descends to the right, ending in a sharp point.
